CEMENT, CONCRETE, STONE & SAND

Rebuilding Western Australia;
Protecting Lives; Creating Jobs

HEAVY CONSTRUCTION MATERIALS SUPPLY CHAIN

The COVID-19 pandemic has significantly disrupted Western Australia's economy. The construction sector, supported by an efficient heavy construction materials supply chain, provides the engine for Western Australia's economic recovery. Cement, concrete, stone and sand are the critical materials that enable Western Australia's construction industry, employing 100,000 workers and contributing substantially to Western Australia's taxation revenue base.

IMPLEMENTING THESE CHANGES NOW WILL:

Keep people and communities safe and working

Allow Western Australia to rebuild our economy fast

Attract essential investment

Fast-track critical infrastructure for the future

Facilitating economic recovery through stimulus, tax relief and regulatory improvement
